Subscription for new shares – extension of timetable

AAA refers to its announcement of 10 July 2023 which explained that the Company was writing to all shareholders inviting them to subscribe for new shares in the Company up to the value of £2 million, of which the minimum requirement of £1,250,000 had already been committed, in order to finance an additional investment in Sentiance N.V. and to provide the Company with additional working capital.

There has been an encouraging response to this invitation. However, the time limit for the return of applications for shares has proved too short for many of the Company’s retail shareholders. The Board of AAA has therefore decided to extend the timetable by a week.

Applications now need to be received by the Company by 5pm on Thursday 27 July 2023 and payment received by 5pm on Friday 28 July.
